

MAKE IT SAFE CAMPAIGN

Briefing Packet: Whistleblower Protection Enhancement Act of 2009

June 2009

1. Overview
2. WPA Sign-on Letter: An Open Letter to President Obama and Members of Congress
3. Questions and Answers on Whistleblower Reform
4. Jury Trials Memo: Equal Due Process Protection for Federal Whistleblowers
5. Jury Trials Data Memo: Why Access to Jury Trials Will Neither Burden the Courts Nor Stifle Federal Managers
6. National Security Memo: Due Process Rights for National Security Whistleblowers
7. Editorial Excerpts: Excerpts From Editorials in Support of Whistleblower Protection Enhancement
8. Obama Statements: President Barack Obama on Whistleblower Protections

This packet was prepared by the Make It Safe Coalition – a nonpartisan, trans-ideological network of 50 good government, taxpayer, scientific, labor, civil liberties, and law enforcement organizations dedicated to strengthening protections for federal employees who protect the public by exposing waste, fraud and abuse in government and then are retaliated against by federal managers. Nearly 300 groups have endorsed our efforts to strengthen whistleblower legislation.
